

CALOREX DH10

A cost effective, automatic, compact dehumidifier

The DH10 is one of Europe's best selling compact dehumidifiers, suitable for a variety of uses within your home or business.

It is excellent for keeping your living spaces dry and reduces mould, damp and musty smells. It protects valuables and your stored goods from rusting whilst it is cost effective and saves you from the expense caused by moisture damage and the resultant repairs.

Dehumidifier features

- High performance level, even in unheated rooms
- Powerful radial fan
- Professional hot gas automatic defrost
- Automatic hygostat controlled dehumidification
- Can connect to an external condensation drain
- Extremely mobile and compact
- Can be left unattended *

* when connected to a condensate drain

The DH10 is suitable for:

- Offices
- Homes
- Wine cellars
- Workshops
- Laundries
- Laboratories
- Museums
- Archives
- Art galleries
- Boats
- Outbuildings
